November Incidents, Activities & Events

Nov. 1, Chicken Coop Fire

- A-Shift responded to a reported structure fire at 900 Longspeak
- Crews found a chicken coop on fire in the backyard threatening several vehicles
- All chickens were safe and accounted for following fire scene and overhaul
- Fire was determined to have been caused by a heat lamp

Nov. 3, Fatal Train Crash

- C-Shift was dispatched to a vehicle vs. train crash at 152nd & Frontage Road
- The vehicle was located on the east side of the tracks
- One person died at the scene

Nov. 6, Vehicle vs. Structure

- A-Shift was dispatched to a vehicle vs. structure in the 4200 block of Crestone
- Crews found a pickup truck located inside a house that was under construction
- The vehicle occupant had self-extricated
- two construction workers exited the home without injuries

Nov. 11, Structure Fire

- B-Shift responded to Eastgate Mobile Home Park on a structure fire that involved a forced air furnace in a single wide trailer
- The fire was confined to the furnace with no structural damage
- No injuries

Nov. 25, Smoke Investigation

- A-Shift responded to a report of smoke inside a structure
- Crews found smoke coming from the eaves of the structure
- Firefighters found a smoldering beam in the attic
- The fire was extinguished and determined to be caused by an electric heater that malfunctioned

Office of Emergency Management

Vaccinations of first responder agencies through the SCL health system were initiated on 12/30/2020 and are expected to continue through 1/10/2021

Planning with PVMC around vaccinating the target population in 1.b of seniors 70+ is ongoing and should have a plan to start vaccinating developed by next week. Other populations identified within the 1.b category will be addressed by LPH agencies and healthcare providers.

City of Brighton Emergency Declaration- Still in effect. City Council voted to extend the emergency declaration indefinitely to continue to address COVID-19 related needs and expenses.

Adams County was downgraded to level Orange on Jan 4th, due to declining hospitalizations and case numbers. IN general this allows up to 25% capacity in many businesses and facilities within Adams County

City of Brighton EOC Coordination- EOC coordination meetings are continuing on a weekly basis.

Interim COVID-19 Response AAR/IP- Report has been completed and is available upon request.

Community Testing- City of Brighton sponsored testing at Riverdale Regional Park (relocated from EVAC) ended on December 19th. As of 1/6/21, Adams County will sponsor daily rapid testing at that location through the end of March. The Water World testing location has also been extended through March.

Grant Applications- The North Central Region's Homeland Security Grant program (HSGP) and the Urban Area Security Initiative's (UASI) application process should be open and accepting applications in the Jan/Feb timeframes. The 2021 Emergency Management Performance Grant (EMPG) application is due 1/15/21 and this will be the last year we are eligible to apply.

Continue to participate in various weekly and bi-weekly local and regional COVID-19 coordination efforts, including:

- North Central Region EM and State Coordination
- Access and Functional Needs Coordination
- Adams County Emergency Manager's Coordination
- TCHD/ EM coordination
- PVMC COVID-19 Coordination updates
- TCHD/Adams County Elected Official updates
- Adams County Regional Council of Governments Coordination
- NCR Hospital/ EM Coordination
