

Brighton Fire Rescue District is looking for a Fire Inspector to join our team. The Fire Inspector performs a variety of duties within the District's Division of Fire Prevention, including but not limited to activities designed to reduce or manage all forms of non-emergent safety risks. This includes performing acceptance tests of fire protection systems and conducting inspections of construction sites and local businesses to confirm fire and life safety compliance with all adopted codes and ordinances related to fire prevention.

What we offer:

The Brighton Fire Rescue District supports our employees with a wide range of attractive benefits that supports all our team members' different needs. We have a generous medical plan (Kaiser and UnitedHealth Care options), including a fully funded Health Reimbursement account that pays for 50% of your or your family's out-of-pocket deductible and co-insurance expense. Plus, dental and vision. Employee-only enrollments are paid 100% by the district. You also receive District provided life insurance, disability, and 457 retirement plan with District contribution of 8% of your base salary. We have more voluntary benefits to choose from that best fit your lifestyle. All this and a positive and supportive fire family that believes in supporting the community.

The Fire Inspector salary range is from \$70,000 - \$80,000 depending on experience.

Mandatory Qualifications:

- 1-2 years of experience
- Possess at the time of hire (or obtain within 30 days of employment), and maintain, a valid State of Colorado driver's license, with a satisfactory driving record
